We, the members of the Organizing Committee, are grateful indeed to the Russian Foundation for Basic Research (RFBR grant No. 06-02-26128-r) for financial support which made the Conference possible. We owe special debts of gratitude to the director of the Special Astrophysical Observatory of RAS Yu.Yu. Balega for sponsoring the Conference and every assistance in the publication of its Proceedings.

We greatly acknowledge helpfulness of the administration and staff of SAO in organizing the Conference. We are most obliged also to many colleagues from abroad who have always been ready to encourage and assist us.
